

Fall 2011

Dear Friend,

St. Pius X School is beginning its 54th year of providing students with a quality Catholic education. We realize that we are successful in part because of the support we have received over the years from businesses like yours. We hope we can count on your help this year with the donation of a gift or service for the annual St. Pius X School auction, "The Greatest School on Earth," to be held February 11, 2012.

By donating merchandise, special services or gift certificates to be placed up for bid in our auction, you'll attract the recognition and appreciation of St. Pius X School's far-reaching community. More than 300 people typically attend the auction. Proceeds benefit St. Pius X School and its endowment fund. St. Pius X School is a 501(c)(3) tax-exempt organization.

Submitting your donation is easy. We're here to help!

- Your donated item(s) may be mailed or delivered to the St. Pius X parish or school offices (see address below). We'll gladly pick up your donation, too.
- If you need a gift certificate created for your donation, we can produce it for you.
- Please completely fill out an auction donation contract which provides us with information about you and your item(s) for our auction publicity. Donation contracts are available in the St. Pius X parish or school offices, or we can get one to you.
- We'll provide a copy of the auction donation contract as your receipt.
- We hope to have all donated auction items in hand by January 13, 2012.

For a half a century, St. Pius X School has instilled excellence, faith and a heart for serving others in our students. We could never have come this far without the generous support of people like you! Thank you for considering a donation to the 2012 St. Pius X School auction. For more information, please call Acquisitions Chairperson Mary Beth Smith, 918-640-0204, or Development Director Janet Price, 918-492-5556.

Gratefully,
